A MORTGAGE ON PRESENT AND
NEXT GENERATION

The Democratic Legislature has decided to issue bonds. This is one of the fruits of Red Shirt Democratic rule.

The House has already passed a bond bill for \$300,000. The Senate is urged to make it a half million. Many politicians and Democratic newspapers say that it will hurt the party just as hard to issue \$300,000, of bonds as it will to issue double the amount. There is no reason that it is no worse to steal two lambs than one lamb. Besides they admit that the next Democratic Legislature will have to issue more bonds and that it will hurt worse to do it twice than once.

But the result of Democratic extravagance and mismanagement will be the same on the tax-payers. Every year the people will be taxed about \$15,000 extra to pay the interest on these bonds. And after the people have paid \$250,000 interest they will then have to pay back the full amount of these bonds in addition, unless the Democrats should decide to repudiate these bonds.

How much more of such Democratic "economy and good government" do the people want?

THE REPORT OF THE WHITE WASHINGTON COMMITTEE

The Whitewashing has been done but it took some time as several coats had to be put on before they could get it to look anything like white.

The joint legislative committee appointed to investigate the charge of cruelty to the convicts on the march from Spruce Pine to Marion, a distance of over twenty-five miles, on January 21st, made its report to the Legislature last Wednesday night. It found that the road is the worst in the State, the mud being on an average of 3 to 5 inches (and in many places over a knee-deep) that most of the convicts were shackled together two and two and by chains around the ankles, and these convicts (some of them being very sick) had to drag these chains through the mud and ice for twenty-five miles on one of the coldest days of the winter driven on by curses and threats of the guards, and still the committee failed to see where any cruelty had been done.

The following is an extract from the committee report:

"The committee find that on arrival at Marion three gallons of whiskey were divided among the convicts, but no coffee or warm food was issued to them that night or the next morning, which the committee thinks could and should have been furnished; that the convicts reached Marion about 6 p. m., and was immediately put in cars, but that because of a railroad accident the cars were not moved that night and the convicts were kept therein from the evening of the 21st to the morning of the 23rd, 36 hours, before they were taken out a length of time too great to keep the convicts confined in the cars, and the authorities should have seen that at intervals they were taken out and given fresh air and exercise.

The committee fails to find any acts of cruelty on the part of the penitentiary superintendent or of the employees, but that the superintendent has always been on the side of humanity; justice and mercy, and that the same is true as to Supervisor Lashley."

We stated in our editorial last week that the committee would whitewash the affair for in the eyes of some democrats it is better for humanity to suffer tortures than for one of their number to lose a job or even be reprimanded. In other words, judging from the outcome of this affair, a democrat, if he is strong in the faith, can do no wrong. But there is a day of reckoning coming for the persecutors of those convicts when a democratic committee will be neither judge nor jury and the verdict will be different.

The Red Shirt Democrats of Wilson who have been trying to keep their friend Vick, the negro post-master at Wilson in office, are no doubt very much grieved that a strong and influential man like Dr. Person is to be postmaster.

SENATOR JETER C. PRITCHARD

Senator Pritchard has just closed a term of eight years of most honorable and useful service in the U. S. Senate.

Few men have carried a greater burden of labor and responsibility during this period. He has been not only a faithful Senator for his own state, but practically a Republican Senator for the whole South.

The number of people whose wants he has patiently listen to and whose interest he has tried to serve has been enormous. During it all he has never lost his patience or been uncivil to anyone.

Besides he has always given the closest attention to the interests of his state. During all this time he has been the close friend of and a power with both the McKinley and the Roosevelt administrations.

North Carolina loses much in his retirement from the Senate. He was worth more to the industrial progress of the State than any two or a half dozen Democratic Senators can possibly be. We believe that a large part of the Democratic party realize that it would have been better for the State for him to have been returned to the Senate.

It is to be hoped that the time will soon come when the masses of the people in the state and in the whole South will vote on business principles and not on sentiment or party prejudice. And the sooner this condition comes the better it will be for the State.

GOV. BECKHAM'S MANDAMUS

On last Wednesday night the following news item was sent out from Frankfort Kentucky:

"Attorneys for Governor Beckham this afternoon filed in the Woodford circuit court a petition for a mandamus requiring Chairman Albie Young of the Democratic state committee and the member of the sub-committee having the state primary in charge to place his name on the ballot as a candidate for the office of governor."

This is the way they do "things in Kentucky. The political situation in that State is returning to the days of Goebellism. Tillmanism in South Carolina, Simmonism in North Carolina and Goebellism in Kentucky are three of a kind—and a very bad kind at that.

In our editorial last week on the democratic juror who was sent to jail in Sampson county; the printers made us say that Herring, the juror in question, was a member of the Board of County Commissioners when the editorial was written stated that he was a member of the Board of County Canvassers.

How much of this money which the Democratic administration is borrowing goes to pay the salaries of the new offices created by the Democratic Legislature for party henchmen?

Senator Pritchard's friends did the handsome thing in presenting him with a costly silver service on the evening that his term in the Senate expired. And too it was a compliment that he highly deserves.

TRAGEDY AVERTED

"Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio, "Pneumonia had played sad havoc with him and a terrible cough set in besides. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. PERSONAL TO SUBSCRIBERS

WE WILL SEND to every subscriber or reader of THE CAUCASIAN a full-sized ONE DOLLAR package of VITE-ORE, to be paid for within one month's time after receipt. If the receiver can truthfully say that its use has done him or her more good than all the drugs and dopes of quacks or good doctors or patent medicines he or she has ever used, READ this over again carefully, and understand that we ask our pay only when it has done you good, and not for nothing. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. Vite-Ore is a natural, hard, adamantite rock-like substance mineral—Ore—mined from the ground like gold and silver, and requires about twenty years for oxidation. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 500 grains of the most powerful, efficacious mineral water, drunk fresh at the springs. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Diphtheria, Catarrh and Throat Affections, Liver, Kidney and Bladder Affections, Stomach and Female Disorders, La Grippe, Malaria Fever, Nervous Prostration and General Debility, as thousands testify, and as no one, answering this, writing for a package, will deny after using. Give age, sex and address. This offer will challenge the attention and consideration, and after the gratitude of every living person who desires better health, or who suffers from pains, ills and diseases which have defied the medical world and grown worse with age. We care not for your skepticism, but ask your investigation, and at our expense, regardless of what ills you have, by sending us your name for a package. You must not write on a postal card. In answer to this, address THEO. NOEL COMPANY DEPT. L. F. 527, 529, 531, W. North Ave., Chicago, Ill.

SENATE IN EXTRA SESSION

Called to Consider Cuban and
Canal Treaties

Cost of Fifty-Seventh Congress. Senator
Pritchard Presented With a Handsome
Silver Service. Fight on Senator Smoot

Washington, D. C., March 9th
1903: The extra session of the
Senate which met in response to the
call of President Roosevelt will get
down seriously to business to-day.
It was in session for a short time
Thursday and Friday, when it ad-
journed over until to-day. The ob-
ject of the session is to ratify the
Cuban Treaty and the treaty with
the Columbian Government for a
right of way for the Isthmian canal.

The appropriation of the 57th
Congress just adjourned amount to
the aggregate to \$1,554,108,514.
This is an increase over the ap-
propriations of the 56th Congress
which amounted to \$1,440,489,438.
The appropriations for the recent
session, which ended yesterday,
were \$753,484,018, as against \$800,
624,496 for the first session of the
Fifty-seventh Congress, which ad-
journd last summer. The follow-
ing figures show by items the ex-
penditures authorized by the recent
session:

Agriculture, \$5,978,160; army,
\$78,188,752; diplomatic and con-
sular, \$1,968,150; District of Co-
lumbia, \$8,647,407; fortifications,
\$7,188,416; Indian, \$8,512,950; leg-
islative, executive, and judicial,
\$27,595,953; Military Academy,
\$659,248; navy, \$81, 877,291; pen-
sions, \$14,817,600; Post-office, \$753,
401,549; sundry civil, \$82,272,955;
deficiencies, \$21,561,572; permanent
annual appropriations, \$132,589,820;
miscellaneous, \$3,250,000.

The first and most important
item included in the statement for
the present Congress, is an appropri-
ation of \$60,130,000 for the Pana-
ma Canal, which accounts for nearly
one-half of the increase. There is
also, aggregate appropriations for
the Post Office Department of \$153,
401,549 for the next fiscal year, so
compare with \$138,000,000 for the
current year, making a difference of
more than \$50,000,000 in excess of
the appropriations for the last Con-
gress for the postal service of the
new Senators sworn in.

Interest naturally will center in
the Hon. Reed Smoot, of Utah,
who, because he is an apostle in the
Mormon church and subject so the
oath of that hierarchy, is held to be
ineligible by church people of other
denominations in Utah and through-
out the country. Numerous pro-
tests against his being seated have
been filed. One of these alleges that
he is a polygamist. Senator-elect
denies the polygamy charge abso-
lutely, and in interviews has ridic-
uled the idea that his duty to the
church would ever be paramount to
his duty to his country and its con-
stitution.

While Senators generally are re-
luctant to commit themselves in
the absence of an investigation, the
opinion prevails that Mr. Smoot
will not be unseated.

Friends of Senator J. C. Pritchard
whose term of service expired with
the 57th Congress yesterday pre-
sented to him a silver service. The
service, a beautiful one of a dozen
pieces, was presented to the retiring
Senator in the parlors of the Ebbitt
House, in the presence of fifty or
more political and personal friends.
Hon. Richmond Pearson, the govern-
ment's ministerial envoy to Persia,
in transferring the gift to Senator
Pritchard expressed graceful words
the sentiments of the donors.

In expressing his appreciation of
the beautiful testimonial Mr. Prit-
chard referred in a word to the
trials he had undergone during the
past year, and said that he had en-
deavored at all times and under all
circumstances to discharge every
official obligation. That his friends
believed in his fidelity to duty was
attested by their spontaneous and
generous applause.

NORTH STATE LAWMAKERS.

(continued from first page)

The Legislature adjourned sine
die Monday at one o'clock. A sil-
ver service was presented to Speaker
Gattis by the members of the House.

sented their Speaker with a nice
gold watch.

ing for the payment of the expenses
of the directors of the Raleigh in-
stitutions for the blind (white) and
deaf and dumb and blind (colored).

The A. and M. College additional

PRaises Butler and Pritchard

Mr. Wooten of La Grange in an article
to the Charlotte Observer tells of Meet-
ing Both the ex-Senators in Washington
Mr. C. S. Wooten of LaGrange,
N. C. made a visit to Washington
City recently an account of which
was published in Sundays Charlotte
Observer. In speaking of the people
he met in Washington he has to say
of ex-Senator Butler and ex-Senator
Pritchard:

"I met ex-Senator Marion Butler.
He has two rooms for his office in
the bond building, one of the finest
office buildings in Washington. He
is doing a good practice at law and
in the Departments. I was in his
office several times and he was busy
all the time. He is attorney for a
mining syndicate and has an office
in New York, and also an office in
Raleigh. He is getting stout and
looks healthy, and dresses well. He
wears a silk hat and a Prince Al-
bert coat, and has the dash and air
of a distinguished man. He and his
wife board at the New Willard,
the most fashionable hotel in Wash-
ington. I said to him that I had
heard he was worth a million of
dollars. He replied: "You know
they would always tell lies on me,
but I am making money and getting
further from the poor house every
day." He possesses every element
that is essential to success. He has
nerve, he has dash, he has self-con-
fidence. He is a logical debater, and
a fine stump speaker. He does not
like some young men, whine around
and poke his head under the coat-
tail of some old fogey, but he walked
out and attacked them and walked
over them. That is the way Nap-
oleon, when only 26 years old, did,
when he whipped the old fossils of
the Austrian army. That is the
way the young James S. Green did
when he defeated the great Benton,
of Missouri, for Senator. Young S.
A. Douglas in 1852, when under 40
years, like an athlete, bounded into
the national Democratic convention
and attacked Cass, Buchanan and
the old leaders of his party. I ad-
mire dash, nerve and pluck in the
young man. Young Haywood, of
this State, when a mere youth,
challenged the great Badger for a
joint debate. Young man, if you
have any sense, think for yourself

and assert your manhood, and if
you have no sense go away back and
sit down. "I had rather be a toad
and feed up on the vapors of a dun-
geon," than to be the servile tool
of any boss.

Butler married a granddaughter
of William Faison, who, before the
war, was the largest stockholder in
Sampson county, and his wife was a
sister of Governor W. D. Moseley,
of Lenoir county, who was the first
Governor of Florida. Moseley was
in the Senate from Lenoir and my
father was in the House at the
same time. He was a candidate
before the Legislature for Governor
and was defeated by only a few
votes by Richard Dobbs Spaight.
I have heard my father explain how
he happened to be defeated. So it
will be seen that Butler married
into one of the old Southern aris-
tocratic families.

Pritchard is the handsomest man
in the Senate and has a natural,
graceful, easy independent air. He
is popular with everybody. The
truth is, you can't help liking him,
he is so affable, so pleasant, and so
honest with you. He does not try
to deceive you. Like many of our
great men, he did not have the ad-
vantages of early education, but
without the advantageous aids he
has gone to the front, and stands to-
day the peer of any man in this
State in ability, in integrity, and in
the unsullied purity of his private
and public life. When he leaves
the Senate on March 4, he will carry
with him the love, the esteem, the
confidence and the respect of every
honorable man of all parties who is
not blinded by party prejudice. He
is a pure man, and free from guile.

He is "Chaste as the icicle
That's curdled by the frost of purest
snow
And hangs on Diana's Temple."

I write this not that I am under
any obligations to Senator Pritchard
for I never asked him for a favor
in my life; but because I desire to
pay a just tribute to a brave, honest
and good man, who is now retiring
from public office. Mr. Webster,
in his speech delivered in the Senate
on March 23, 1848, on the objects
of the Mexican war, said: "Sir,
political partisans and aspirants, and
office seekers are not sunflowers.
They do not.

"Turn to their God when He sets
The same look which they turned
when He rose.

Thousands Have Kidney Trouble and Don't Know It.

Fill a bottle or common glass with your
water and let it stand twenty-four hours;
a sediment or settling indicates an
unhealthy condition
of the kid-
neys; if it stains
your linen it is
evidence of kid-
ney trouble; too
frequent desire to
pass it or pain in
the back is also
evidence of kidney
trouble.

There is comfort in the knowledge so
expressed, that Dr. Kilmer's Swamp-
Root, the great kidney remedy, fulfills every
wish in curing rheumatism, pain in the
back, kidneys, liver, bladder and every part
of the urinary passage. It corrects inability
to hold water and scalding pain in passing
it, or bad effects following use of liquor,
wine or beer, and overcomes that unpleasant
necessity of being compelled to go often
during the day, and to get up many times
during the night. The mild and the extra-
ordinary effect of Swamp-Root is soon
realized. It stands the highest for its won-
derful cures of the most distressing cases.

Worry

Almost Unnerved Me
—Heart Pains.
Short of Breath,
Faint and Languid.
Dr. Miles' Heart Cure and
Nervine Cured Me.

"It has been five years since I was cured of
heart trouble by Dr. Miles' Heart Cure and Ner-
vine, and I am just as sound as a dollar to-
day. For several years I had
been suffering with my heart. Breathing
had become short and difficult at times,
sharp pains about the heart, sometimes
accompanied with fluttering would make
me feel faint and languid. The least ex-
citement or mental worry would almost unnerve
me. I felt that the trouble was growing
worse all the time, and after trying many
remedies prescribed by physicians without
obtaining relief, I was induced to give your
remedies a trial. I was relieved the second
day, and after taking three or four bottles all
symptoms were removed and have never
showed signs of returning."—REV. GEO. W.
KIRACORE, Chattanooga, Va.

There are many symptoms of heart disease,
which so closely resemble those of more com-
mon nervous disorders as to frequently mis-
lead the attending physician. Often in cases
of heart trouble the stomach, kidneys, liver or
lungs become affected. Again the symptoms
may be those of weakened nerves, as tired
feeling, sleeplessness, timidity, the patient is
easily excited and apt to worry without
cause. If you have the least suspicion that
your heart is weak, study your symptoms and
begin the use of Dr. Miles' Heart Cure, the
great heart and blood tonic, without a day's
delay.

WOMEN IN FULL DRESS.

Amusing Discussion in Columns of Parisian Journal.

Rather an amusing discussion on the subject of how dresses have lately been carried on in the columns of a Parisian journal. "She knows how much it is best to show," said the poet, but it must be admitted that this does not altogether settle the question of "decollage." One writer asks how comes it about that a woman would deeply regret not taking a morning walk, can comfortably make her appearance with bare neck and arms in the evening.

"Decollage," another maintains, "is a simple matter of climate and custom. Yet the fact which is made over very diminutive hats might be applied to the corsage." "The maker's will at this rate send out the bill," the article being inevitable.

Another authority tells us that the first decollete gown, of which mention is made in the history of a costume, was that worn by Queen Isabella of Castile in the time of the Valois. She, and flourished again considerably during the reigns of Louis XIV. and XV. successors. It was not to be put down by the revolution, which created such havoc among other customs, and now it seems to run less risk than ever of disappearing.

Mutual Misunderstanding.

When Baron Haussmann went to Constantinople on a visit to Abdul Aziz, who was then sultan, he had an interview with the grand vizier, who did not know a word of French. At the beginning of the interview, the old long Turkish pipes were brought in and then Baron Haussmann began making a very long speech in French. The grand vizier could not understand a word, but listened most attentively till he noticed that his pipe had gone out and clapped his hand for a servant to come and relight it. Haussmann, thinking he was applauded, rushed toward him with outstretched hand, intending to shake hands and thank him. The grand vizier, seeing his hand put to his mouth, shook it warmly and said "Good-bye," his intention to leave, was Haussmann's.

The attempt to be a good fellow has often prevented disaster.

IS YOUR HEALTH VALUABLE?

Disease is always handicapping men for business and pleasure—sometimes temporarily, often permanently. Life is a continuous struggle, and the man or woman afflicted with a Chronic Disease is outclassed at every turn. In this age of sharp competition, no man can hope to be successful unless sound in mind and body.

During my long career as a specialist, I have seen thousands who are carrying around some chronic disease as a burden, and who could easily rid themselves of it by the proper treatment. Any honest physician will tell you that these diseases are stubborn and obdurate, and a special knowledge is required to treat them successfully. My special knowledge for treating Chronic Diseases has been acquired by twenty years of close application, devoted exclusively to their study and treatment. I have treated more cases than any other physician in the United States, and I thoroughly understand just what is required in each case. My specialty includes all chronic diseases, such as Stricture, Varicocele, Blood and Skin Diseases, Bladder and Kidney Complaints, Diseases of Women, etc., and my original method of treatment has proven successful in every the most obstinate case.

I CAN CURE YOU AT HOME.

I have perfected a system of home treatment which enables me to cure you at your own home, as I have the means of others. Write me fully about your case, and send for complete symptom blank. Correspondence confidential. Address: J. NEWTON HATHAWAY, M.D.
